### Opportunities from the Independent Living Resource Center (ILRC)

ILRC is excited to share several opportunities for youth with disabilities!

First, the Statewide Independent Living Council (SILC) has announced the Gary Moll Scholarship. The Memorial Scholarship program is for Missouri students with a disability who are attending or will be enrolling in a junior college, college, university, or vocational school in the state of Missouri.

Second, ILRC is proud to offer the Sarah Borgmeyer Wonderland Camp Scholarship! Sarah's family have been very generous in supporting this program and we have been excited to send youth to camp who would not otherwise have had the chance to go!

Finally, ILRC is hosting three opportunities for youth to participate in our Workplace OverAchievers Winning (WOW) program, including a virtual option. This program will help youth with disabilities prepare to join the workforce!

As always, if you have any questions about these programs or are interested in them, please reach out to your CCDDR Support Coordinator.
