Disability Rights Legislative Day

Although exact information has not been released yet, make sure to keep some time open on your calendar in March for Disabilities Rights Legislative Day. Every year, the Capitol building in Jefferson City hosts a rally to support the rights of disabled citizens in our community.

This meeting centers around the fact that disabled individuals belong everywhere their non-disabled peers do—in the community, in the workplace, and in the classroom. Rest assured that we will provide you with more information about this gathering as soon as possible.

Engaging in Public Policy: My Voice at the Capitol During COVID-19

Thursday, February 11, 2021 from 6-8 PM (CST)

The Missouri Developmental Disabilities Council (MODDC) invites you to participate in an educational virtual forum.

In this forum, you will hear from a strong disability advocate, who is active in educating policy makers about the legislative process and issues important to the disability community.

You will also hear from legislators who have championed public policies that impact people with disabilities. They will talk about what it is like at the Capitol at this time, how you can continue to communicate with your legislators in a safe manner, and how you can get involved in public policy issues that impact the disability community, even in a pandemic. You will also hear updates on bills of interest from these lawmakers.

We hope to see you there! To register for the Zoom meeting, visit
