July 2019

Success Story

Nikolaus Nuernberger has had an exciting last year. First he moved out of his parents home, then he found his own job at Lowe's where he works. Stop by and see how good he is at Customer Service.

Nik says he enjoys spending time with people and making sure the customers get the product they want and are satisfied. He reminds people that military discounts are offered.

Now that he is bringing home more money, he is getting help with budgeting and is aware of what he is spending so he can save and he makes sure that bills are paid first. He encourages others to go into job interviews with a positive attitude and to never give up. In his free time, he enjoys fishing, videos, games and spending time with friends and family.

Medicaid and SSI Reminder

Beginning July 1, 2019 asset limits for MO Health Net permanent and total disability, aged 65 and over will increase to \$4,000 for individuals and \$8,000 for married couples. The Supplemental Security Income (SSI) asset limits have NOT changed and remain \$2,000 for individuals and \$3,000 for couples.

Remember if you are working to save money for a home, a car etc. and you need to save more than these amounts, you can open a MO ABLE account for only \$50 and the savings will not count against your Medicaid or your SSI. This must be done online through the Missouri State Treasurer's web site.

In brief, if you have MO Health Net but do NOT have SSI, you can have up to \$4,000 in your checking and savings account without losing Medicaid.

If you have SSI, you cannot have more than \$2,000 in your account.

If you need help with any of this, please contact your Support Coordinator.

Employment and Transportation

If you secure a job and need transportation, remember that CCDDR will pay OATS to take you to and from work for the first 30 to 60 days. This is to give you time to collect enough paychecks that you can buy your own punch card from OATS. We also want to celebrate this event with you like we did with Nik on page 1 of this newsletter. Please contact us

and let us know what you are accomplishing! Sharing your good news can be an encouragement to others.
