CCDDR SPOTLIGHT

My name is Meri Viebrock. I was born and raised in Camdenton, Missouri. I attended Camdenton schools Kindergarten through my senior year and graduated in 2017. After graduation, I went to Missouri State University in Springfield, Missouri. There I got my special education degree. After this, I moved back home and went to teach middle school special education for a couple of years. Recently I got a kitten named Alfie who has become my entire world. He's an orange Scottish Kilt, which means he has short legs and folded ears. I am loving CCDDR so far and feel so blessed with the kindness everyone here has shown since starting.
